

# CEE6400 Physical Hydrology

## ***Homework 0. Essay Request***

Date: 8/26/13

Due: 9/4/13

**Objective.** The objective of this homework is for me to learn about you and your background in Hydrology. There will be no grade assigned for this assignment.

1. Describe your knowledge of hydrology from previous classes or experience you have. Please tell me what you would like to learn from this class and from the graduate program in Hydrology as a whole at Utah State University.
2. Please also tell me what computer experience and knowledge you have. In particular please let me know what programming languages and operating systems you are familiar with.
3. List any text books on Hydrology that you own.
4. List any text books on Hydrology that you have read and are familiar with.
5. General background. Please indicate which department you are in, what degree you are working on and how long you have been at USU. What is your objective for your studies at USU? Why are you taking this class?
