

## Amendments to CEE3430 Grading

### Grading Policy from Syllabus

<p>1. Grades will be based on a weighted average of results as follows:</p> <p>Homework. 20%</p> <p>Test 1: 25%</p> <p>Test 2: 25%</p> <p>Final: 30%.</p>	<p>2. Letter grades will be assigned as follows:</p> <p>A = 95 – 100%</p> <p>A- = 90 – 95%</p> <p>B+ = 87 – 90%</p> <p>B = 83 – 87%</p> <p>B- = 80 – 83%</p> <p>C+ = 77 – 80%</p> <p>C = 73 – 77%</p> <p>C- = 70 – 73%</p> <p>D+ = 65 – 70%</p> <p>D = 60 – 65%</p> <p>F &lt; 60%</p> <p>These thresholds may be adjusted downwards (in the students favor) at my discretion, but will not be adjusted upwards. I may also adjust a student's letter grade upward if there are indications that such adjustment is warranted (e.g. an improving trend in grades following a poor start).</p>

3. Incomplete grades will not be given except under extenuating circumstances as allowed for by University policy. Incomplete grades will not be given for poor performance.

### Amendments

1. Option to not do final. If you opt out of doing the Final Exam I will substitute the average score from the first two tests in place of your final score. This will be computed as

$$\left(\frac{T1}{35} + \frac{T2}{60}\right) * 0.5$$

2. If you do the final exam I will take the best score from the final and average of the two tests as the score for the Final exam

$$\text{Max}\left(\left(\frac{T1}{35} + \frac{T2}{60}\right) * 0.5, F\right)$$

3. Extra credit for optional homework. Homework 8 part 2 will be scored as

Required	One of 1, 4, 6	2	3	5	Total	Optional	Remaining 2 of 1, 4, 6	7	Extra homework credit available
Score	3	2	2	3	10	Score	3 each	9	15

4. Late Homework. Homework up to 1 week late, or the time a solution set is provided, whichever is sooner, will be accepted with 20% grade deduction. There will be a 50% deduction for homework received more than 1 week late or after a solution set has been provided. **You may hand in late homework up to the time of the final exam.**
