

GIS in Water Resources Term Project Proposal

Your GIS in Water Resources Term Project Proposal is due 10/3/13

This should be a 1 page document that is prepared in PDF. It should give the following

- proposed title
- objective for your term project
- data that you propose to use and how you will get it
- An outline of the steps you need to complete to do this project

This document should be named "Proposal.pdf" and placed in your folder in the CEE server \\ceefsl.engr.usu.edu\giswr\

See <http://www.neng.usu.edu/cee/faculty/dtarb/giswr/2013/webpageinstructions.html>
